

III. ENERGY SECTOR (06 Projects)					
No.	Project Name	Location	Objectives, Scale and Relevant Project Information	Legal Basis	Notes
1	Sao Mai 1 Wind Power Plant	Xa Phien Commune, Can Tho City	Capacity: 100 MW Objective: Investment in construction of the Sao Mai 1 wind power plant to efficiently exploit wind energy potential, supply clean electricity, contribute to national energy security and promote green and sustainable economic development in the region	Consistent with the Implementation Plan for the National Power Development Plan for the 2021-2030 period, with a vision to 2050 (adjusted), approved by the Ministry of Industry and Trade under Decision No. 1509/QD-BCT dated 30/5/2025. Power Supply Infrastructure Development Plan for Can Tho City for the 2021-2030 period, with a vision to 2050 (Appendix X) – Decision No. 3639/QD-UBND dated 31/12/2025. The project is located in an area with particularly difficult socio-economic conditions under Decision No. 2914/QD-UBND dated 08/12/2025 of the Can Tho City People's Committee.	
2	Long My 1 Wind Power Plant	Vinh Vien Commune, Luong Tam Commune, Can Tho City	Area: 13.63 ha Objective: Investment in construction of the Long My 1 wind power plant to efficiently exploit wind energy potential, supply clean electricity, contribute to national energy security and promote green and sustainable economic development in the region	Decision No. 262/QD-TTg dated 01/4/2024 of the Prime Minister approving the Implementation Plan for the National Power Development Plan for the 2021-2030 period, with a vision to 2050. Power Supply Infrastructure Development Plan for Can Tho City (Appendix X) – Decision No. 3639/QD-UBND dated 31/12/2025.	
3	Soc Trang Biomass Power Plant (Phase 1)	Dai Ngai Commune, Can Tho City	Capacity: 8 MW (Phase 1) Objective: Investment in construction of a biomass power plant to exploit and utilize agricultural by-products, contributing to national energy security and promoting local socio-economic development	Consistent with the Implementation Plan for the National Power Development Plan for the 2021-2030 period, with a vision to 2050 (adjusted), approved by the Ministry of Industry and Trade under Decision No. 1509/QD-BCT dated 30/5/2025. Power Supply Infrastructure Development Plan for Can Tho City for the 2021-2030 period, with a vision to 2050 (Appendix X) – Decision No. 3639/QD-UBND dated 31/12/2025.	
4	Sao Mai 1 Solar Power Plant	Xa Phien Commune, Can Tho City	Capacity: 50 MW Objective: Investment in construction of a solar power plant to efficiently exploit solar energy potential, supply clean electricity, contribute to national energy security and promote local socio-economic development	Consistent with the Implementation Plan for the National Power Development Plan for the 2021-2030 period, with a vision to 2050 (adjusted), approved by the Ministry of Industry and Trade under Decision No. 1509/QD-BCT dated 30/5/2025. Power Supply Infrastructure Development Plan for Can Tho City for the 2021-2030 period, with a vision to 2050 (Appendix X) – Decision No. 3639/QD-UBND dated 31/12/2025.	The Department of Finance and the Department of Agriculture and Environment shall finalize the land use quota allocation within the Can Tho City Master Plan for 2021-2030.
5	Ho Nuoc Ngot Solar Power Plant	Vinh Tuong Commune, Can Tho City	Capacity: 20 MW Objective: Investment in construction of a solar power plant to efficiently exploit solar energy potential, supply clean electricity, contribute to national energy security and promote local socio-economic development	Consistent with the Implementation Plan for the National Power Development Plan for the 2021-2030 period, with a vision to 2050 (adjusted), approved by the Ministry of Industry and Trade under Decision No. 1509/QD-BCT dated 30/5/2025. Power Supply Infrastructure Development Plan for Can Tho City for the 2021-2030 period, with a vision to 2050 (Appendix X) – Decision No. 3639/QD-UBND dated 31/12/2025. The project is located in an area with particularly difficult socio-economic conditions under Decision No. 2914/QD-UBND dated 08/12/2025.	The Department of Finance and the Department of Agriculture and Environment shall finalize the land use quota allocation within the Can Tho City Master Plan for 2021-2030.
